A LITTLE HISTORY

Afrilec was launched in Johannesburg on the 1st September 1996.

Our 2500 square metre office and distribution centre is situated in Wynberg, Johannesburg, ensuring a speedy, high quality service to our retailers in South Africa and neighbouring countries.

OUR PROMISE OF SERVICE TO RETAILERS

Our representatives are fully trained, experienced sales people who adhere to a high code of practice.

We believe that the standard of our service to you, the dealer, is of the highest quality.

During a sales call by a representative from Afrilec, he/she will undertake to do the following:-

- Make a full inventory.
- Discuss sales history with you and confirm your order.
- Uplift any damaged stock, merchandise and complete G.R.N.
- Exchange product knowledge with your sales staff.
- Compare current stock take with previous stock takes to establish sales statistics.

New orders placed are immediately faxed to our distribution centre for execution.

- We can barcode all stock for your convenience.

THE PRODUCTS

The Afrilec range includes: cell accessories, cell phones, Hi fi /disco speakers, audio accessories, electronic components, I.C.'s & transistors.

- Our range of products offers a wide choice, and caters for all consumers in the market.
- Warranties: any returns (factory faults) will be collected for exchange, at no cost to our customers.

CAPACITY	50 shot/BB; Single shot/pellet
SIGHT	TRUGLO® fiber optic front/Adjustable rear
LENGTH	37.6"

FEATURING TRUGLO® FIBER OPTIC SIGHT

DUAL AMMO PELLET OR BB

The Winchester Air Rifle Model 77XS is a multi-pump, dual ammo air rifle that's loaded with great features. You'll like the way the thumbhole fits your hand and wrist, providing a relaxed and better support for the rifle. The 77XS features an adjustable rear sight and TruGlo fiber optic front sight. Or, mount the 4 X 32 air rifle scope which is included. You can load single .177 caliber pellets. Or, load up to 50 BBs in the port and every time you pull back the bolt, you can quickly load another BB. With every pump you'll gain power and velocity. Pump the gun three times for indoor target shooting practice. Or pump it up to ten times to achieve maximum velocity - up to 800 feet per second..

Winchester Model M14

NAME	Winchester Model M14
WEIGHT	4.4 lbs.
MAX MUZZLE VELOCITY	700 fps
MAX SHOOTING DISTANCE	280 yds.
SAFETY	Trigger block safety
STOCK / FOREARM / GRIP	Brown composite
BARREL	Rifled steel
CODE	
ACTION	CO2 semi-automatic
CALIBER	.177 (4.5mm) Pellet
CAPACITY	16 shot
SIGHT	Blade front/Adjustable rear.
LENGTH	44.25"

The Winchester Air Rifle model M14, with durable composite stock, is a semi-automatic, dual ammo gun which shoots both BBs and pellets. The CO2 clip holds two standard 12 gram cylinders to produce a maximum muzzle velocity of 700 feet per second. Load two CO2 cylinders into the clip then insert it into the gun. The clip also holds an ammo magazine with an 8-shot cylinder at each end...for a total of 16 shots. Load BBs, pellets or any combination of BBs and pellets into the magazine then re-insert the magazine into the clip. After 8 shots, flip the clip to continue shooting. You might pick up the Winchester Air Rifle M14 for its historical significance. But the pure backyard fun, serious marksmanship, and realistic semi-automatic action will make it the most enjoyable airgun you've ever owned.

Winchester Rodent-Router 1029S

NAME	Winchester Rodent Router 1029S
WEIGHT	6 lbs. (2.73Kg.)
MAX MUZZLE VELOCITY	1,000 F.P.S (304.8 mps)
MAX SHOOTING DISTANCE	<305 yards (280m)

BARREL	Fluted, rifled bull barrel
CODE	Winchester Rodent-Router 1029S
ACTION	Break-barrel spring action
CALIBER	.177 (4.5mm)
CAPACITY	Single Shot
SIGHT	3-9 x 32 mm scope with duplex reticle
LENGTH:	45 3/4" (116.21cm)

This rough-and-ready rodent-router is no exception. The 1029S is a serious shooter with big punch, delivering .177 lead pellet ammo at up to 1,000 F.P.S You'll love the smooth-firing action and unmistakable quality. Included 3-9x32 mm variable Scope ensures pinpoint accuracy.
Air to spare:

Winchester Model 1028 ws

NAME	Winchester Model 1028 ws
WEIGHT	11.4 lbs.
MAX MUZZLE VELOCITY	1000 fps
MAX SHOOTING DISTANCE	305 yds.
SAFETY	Thumb safety engages when rifle is cocked
STOCK / FOREARM / GRIP	Solid hardwood
BARREL	Rifled steel, solid steel shroud
CODE	
ACTION	Break-barrel cocking, spring air
CALIBER	.177 (4.5mm) Pellet
CAPACITY	Single shot
SIGHT	TRUGLO® fiber optic front/Micro-adjustable fiber optic rear
LENGTH	46.25"

The Model 1028 break-barrel .177 caliber pellet rifle sends pellets downrange at 1,000 feet per second velocity. Measuring 46.25" in length and weighing 11.4 lbs., it's obvious that this is an air rifle designed for young adults and adults. The solid hardwood stock has a checkered grip. A Truglo® fiber optic front sight and a micro-adjustable Truglo fiber optic rear sight help you quickly acquire your target. Paired with a 4 X 32 fog-proof and shock-proof air rifle scope with adjustable objective this gun is great for serious target practice, pest control and small game hunting.

DID YOU KNOW!

LED (Light Emitting Diodes) are new to flash light technology.

They tend to be more energy efficient, provide longer battery life and are impact resistant.

Each of our offerings are packed in a unique clam pack design.

Each light features a tough black anodized aluminum body and each includes its own set of batteries for immediate use.

An easy click switch is located at the end of the light for safe and easy on/off use.

New to the CAT line are 3 LED and 5 LED flashlights and a Combo set offering a 3 LED flashlight with knife.

Carson Cases & Cleaners

59BCBA03

Bino Armor - BA - 03

The BA - 03 Bino Armor™ Binocular case from Carson Optica lprovides the ultimate in protection while maintaining easy access to your Binocular. This durable neoprene case protects your Binocularfrom shock and keeps your Lenses safe from dust, debris and scratching. Simply pull down the flaps of the case and you 're ready to use your Binoculars. BinoArmor™ eliminates the need for a separate pouch and eye cups, whichcan be awkward and time consuming to remove in the field. The ultra-quiet magneticf astener will not startle wild life while opening. Your Binocular is secured to the case using a heavy-duty elastic strap. Use in conjunction with a neck strap or harness for use in the field. TheBinoArmor™ guarantees your Binocular will always be ready for viewing at a moment's notice. Fits many different 42 mm Binoculars.

59BCBA10

Scope Armor - BA - 10

COMING SOON! The BA-10 Scope Armor™ from Carson Optical is a neoprene cover that provides the ultimate in Rifle Scope protection. Simply stretch the cover over your Rifle Scope to protect from the elements and absorb shock during use in the field. The ScopeArmor™ keep syour Lenses free from dust, dirt and debris while protecting sensitive Lenses from scratches and damage. TheScopeArmor™ is removable in an instant for immediate access to your Rifle Scope.

59BCBA15

Scope Armor - Deluxe -BA - 15

The BA-15 ScopeArmor Deluxe™ from Carson Optical is an innovative "wrap-around" Case that provides the ultimate in Rifle Scope protection. Heavy-duty 4mm thick neoprene protects your expensive Rifle Scope from the elements and absorbs shock while out in the field. The ScopeArmor Deluxe™ Rifle Scope Case protects delicate Lenses from damage and scratching while keeping dust, dirt and debris away. The ScopeArmor Deluxe™ is removable in an instant for immediate access to your Rifle Scope.

59BCSN50B

Stuff-It™- SN - 50BU

The SN-50 Stuff-It™ from Carson Optical is a patent pending lens cleaning system that feature sa super -soft microfiber lens cloth housed inside a protective pouch. Simply pull the lens cloth out of the pouch to use. When not in use, pull the drawstring to retract the lens cloth back into the pouch and stuff the remaining cloth in with one finger. The protectve pouch will keep the cloth clean and dry so it will always be ready for use. The Stuff -It™ is compact and extremely portable. The Stuff- It™ fits easily in your pocket, Camera bag, Binocular case or use the attached hook to clip it to your jacket. TheS tuff- It™ is ideal for cleaning Binocular Lenses, Spotting Scope Lenses, Telescope Lenses, Camera Lenses, GPS devices, Eye glasses and more. The micro fiber lens cloth is safe to use on allL enses. Will not scratch or damage Lenses in any way.

59BCLP99

Lens Pen® - LP-99

The LP-99 Lens Pen® from Carson Optical is a compact, easy to use lens cleaning system. The Lens Pen® employs a revolutionary non - liquid, carbon compound that will not spill or dry out. It is also odorless. It also includes a natural hair brush for dust removal. Look to the Lens Pen® to clean larger lenses such as Binocular Lenses, Rifle Scope Lenses, Digital and Video Camera Lenses and more.

Mace Pepper Sprays

Mace Pepper Gel

Mace® 10% pepper gel® home defense & magnum is ideal for home protection and auto defense. Peppergel® is a 14% capsaicinoid concentration suspended in a sticky gel rather han a liquid. Sprays up to 10 feet further than conventional sprays. The thick gel sticks to the face and causes temporary blindness. Mace® peppergel® is hotter than many other pepper sprays on the market but is non-toxicand and causes only temporary discomfort.

Contains uv dye to visibly mark an assailant for possible identification. The gel formula minimizes cross contamination and is ideal for in door use.

- Pocket Size
- Personal Size
- Police Size

Pepper Gard® has a powerful Oleo resin Capsicum (OC)*. pepper formula that creates an intense burning sensation and causes an attacker's eyes to slam shut upon direct contact.

*OC pepper is a naturally occurring substance derived from Cayenne peppers.

The Mace® Triple Action Fogger

- 60 gram cone shaped fogger unit sprays up to 8 feet.
- Contains 15, one second bursts.

60 gram. code: 14m80195
120 gram. code: 14m80196

- Decontamination

Code: 3050

The Mace® Triple Action Fogger is designed for use in the home or automobile. This compact, powerful personal defense product features a flip-top safety cap. The active ingredients in our Triple Action formula are a careful blend of Oleoresin Capsicum (OC) and tear gas.

The OC Pepper causes the eyes to slam shut and uncontrollable choking. The teargas causes profuse tearing and disorientation.

The combination of the two agents produces a powerful self defense spray making this pepper spray model a good choice for an every day personal defense product.

This Mace® pepper spray formula also contains UV dye to invisibly mark an assailant which may aid in identification.
